Karpuzoglu is a Turkish company established in 1931. Initially, they specialised in yogurt and cheese halva and eventually created the traditional Biga Cheese dessert, which was made by hand. The dessert grew popular and became a special brand of the region.

Traditional Dessert Cakes

Today, Karpuzoglu offers a range of dry dessert cakes based on the original recipe and are exported internationally. The cakes are easy to prepare and are delicious for a quick seasonal dessert.

For those wanting to taste Turkish puddings and desserts, look no further than Kent instant desserts that are convenient and easy to prepare. Also available are Kent instant whipped creams, jellies and baking condiments.
